Contract for Hand Quilting Services

This contract for the services of hand quilting is between Calie Mowery, owner of Creations by Calie and _____.

A 50% non-refundable deposit is required at the time your quilt is dropped off.

Please note that I accept payment in the form of cash or PayPal. If using PayPal, there is a 3% fee added to your invoice.

The customer is responsible for providing the finished top, batting, finished backing fabric, and if binding services are requested, binding fabric.

Please note that the backing and batting needs to be an additional 4 inches all around your quilt. For example, if your top is 60x80 then your backing and batting needs to measure 64x84. Adding this extra will allow me to quilt all the way to the edge of your quilt top.

Please make sure your top and backings are squared up.

All quilt tops should be pressed to flatten seams.

If your quilt top or backing is directional, please mark the top center to ensure directionality of your quilt.

I do not quilt with minky or other soft, stretchy material as backing fabric.

Wait times vary depending on the time of year, but hand quilting takes an average of about six months, depending upon the quilt, the quilting design, and many other life factors. There are many variables, but there is one constant: I do not "rush" quilts. Please allow adequate time for me to complete your quilt in the way it deserves. I try to accomodate deadlines as much as possible.

Please have your quilt top pressed flat, any puckers or bulges will make the quilting process look wrinkled and messy. I will do my best to work it out, but if the quilt top cannot lay flat, it will be returned to you.

I have two options - you do the marking of the quilting design yourself, or I can do it for you. If you are not sure what design to use, I am happy to help. I'll consider different quilting templates and lines of quilting, the age and era of the quilt top, who the quilt is for, the feeling you'd like to evoke, and more. You will be presented with several options from which to choose and I will go with what you like the best.

Trimming and binding services after quilting is done is available upon request.

If you loan your quilt project for public display or enter it in a show, please give the courtesy of crediting Creations by Calie as the hand quilter.

I understand that you are trusting me with your quilt, and I am committed to doing the very best quilting for you. Since I am hand guiding the quilting process and not leaving it up to a perfect computer, I do my very best to ensure the patterns line up perfectly. Occasionally, due to circumstances out of my control, there may be slight imperfections. By sending your quilt to me, you are accepting that I am not responsible for expectations beyond my control. Also, I do not guarantee any fullness that is sewn into the quilt or borders can be taken care of with the quilting process.

PUBLICITY RELEASE During the process of working on your quilt I take photos of the work I am doing for both record keeping, lecture presentations, and to use on both my website and social media to promote my business. I give full credit to the owner of the quilt and explicitly state what work I am doing, for example long arm quilting, and that the quilt is not mine, nor was it created by me. I do not use my customers names, locations or any other personal information in these posts.
