Contract for Long Arm Quilting Services

This contract for the services of long arm quilting is between *Calie Mowery*, owner of Creations by Calie and _____.

Please note that I accept payment in the form of cash or Square for in person clients and via PayPal for mail-in clients.

If payment is not received within 28 days of being notified that your quilt is ready, your quilt will become property of Creations by Calie.

The customer is responsible for providing the finished top, batting, finished backing fabric, and if binding services are requested, binding fabric.

Please note that the backing and batting needs to be an additional 8 inches all around your quilt. For example, if your top is 60x80 then your backing and batting needs to measure 68x88. Adding this extra will allow me to quilt all the way to the edge of your quilt top.

Please make sure your top and backings are squared up.

I do not quilt with minky or other soft, stretchy material as backing fabric.

I offer simple edge-to-edge quilting, ruler work and pantographs. I do not have a computerized machine it is a mechanical process. At times the sewing machine may malfunction which can cause damage to the quilt. That is a risk you accept when you agree to the quote. Creations by Calie is not responsible for any damage to the quilt from any cause that is beyond their control. This includes needle breakage due to thick seams.

Trimming and binding services after quilting is done is available upon request.

If you loan your quilt project for public display or enter it in a show, please give the courtesy of crediting Creations by Calie as the machine quilter.

Please have your quilt top pressed flat, any puckers or bulges will make the quilting process look wrinkled and messy. I will do my best to work it out, but if the quilt top cannot lay flat I will contact you to come to the best resolution.

I understand that you are trusting me with your quilt, and I am committed to doing the very best quilting for you. Since I am hand guiding the quilting process and not leaving it up to a perfect computer, I do my very best to ensure the patterns line up perfectly. Occasionally, due to circumstances out of my control, there may be slight imperfections. By sending your quilt to me, you are accepting that I am not responsible for expectations beyond my control. Also, I do not guarantee any fullness that is sewn into the quilt or borders can be taken care of with the quilting process.

I authorize the work listed on the Quilt Workup Sheet(s) to be done on my quilt(s), and I understand that I am financially responsible for prompt and timely payment of the cost of services rendered by Creations by Calie. If payment is not rendered within 28 days of being notified, your quilt becomes the property of Creations by Calie.
